Dogs enjoy multiple supervised outdoor play sessions each day in our shaded yard, with both outdoor and A/C options based on their preference

All dogs will receive a temperament evaluation, and pets showing aggression may not be accepted

We do provide some discounts if you pay cash.

### Additional Information

- All female dogs and cats must be spayed
- All dogs must have current Rabies, Bordetella and DHLPP
- Cats must have Rabies, Feline Leukemia and FVRCP
- You must bring your own food, we normally feed twice a day, morning and evening, you can bring it in bulk or provide daily portions in ziplock bags (no bowls needed)
- We don't recommend toys (we have toys), because they end up becoming community toys, we have bedding, but you can bring your own if you like
- We will administer one dose of medication per day for free, more than once is extra.
